PROSPECTUS
2025-26

PROFILE

Mr. Sohan Lal Tambi is a highly esteemed individual known for his contributions as an industrialist, philanthropist, and visionary leader. With over 45 years of experience in the pharmaceutical distribution business, he has established himself as a successful entrepreneur. He has demonstrated exceptional leadership skills and has been elected thrice as the General Secretary of the Rajasthan Chemist Association. In addition to his achievements in the business sector, Mr. Tambi holds significant positions in various organizations. He has served as the Senior Vice President of Akhil Bharatiya Vaishya Maha Sammelan for the past 15 years, showcasing his commitment to community development. As the President of SKVE Trust since 2002, he has played a vital role in the management and development of social welfare schemes that benefit society.

Mr. Tambi's dedication to public service extends to his involvement in the political arena of Jaipur. He has previously served as the Corporator of Banipark Constituency and held the position of President of the Health and Sanitation Committee in the Jaipur Municipal Corporation from 2004 to 2009. Moreover, he has been the President of Shree Khandelwal Vaishya Hitkarini Sabha from 2002 to 2014, contributing significantly to the welfare of the community. Alongside his professional and political engagements, Mr. Tambi is actively involved in social and service organizations like the Rotary Club and Lions Club, further showcasing his commitment to making a positive impact on society.

Mr. Sohan Lal Tambi's leadership, experience, and philanthropic endeavors have made him a highly respected figure in various domains. His contributions to the business sector, social welfare, and public service have positively influenced the community and earned him admiration and recognition.

MESSAGE

Greetings from KVGIT, a premier institution committed to empowering young women through quality education, character-building, and transformative learning.

I always experienced a yearning to acknowledge my responsibilities and reciprocate by contributing to the growth and development of our society. Years ago when Shri Khandelwal Vaishya Educational Trust (SKVET), Promoted by Shree Khandelwal Vaishya Hitkarini Sabha (Regd.), Jaipur established in 1947 perceived that the best way to advance society is by fostering education and it was at that moment that the dream and vision of KVGIT was conceived.

Since then, the college has consistently excelled in academics, sports, and co-curricular activities, marking a steady path of achievement and progress. It is truly heartening to witness that years of dedicated, thoughtful, and outcome-oriented efforts are now yielding fruitful results. Yet, KVGIT remains far from complacent—we view every milestone not as a conclusion, but as a new beginning, pushing us to strive harder for sustained excellence and greater societal impact.

The unwavering support, vision, and guidance of the **trustees, stakeholders and philanthropist** continue to inspire and strengthen all our endeavours. I extend my heartfelt congratulations to **Dr. Anju Gupta**, Principal, KVGIT for her visionary leadership and unwavering commitment to academic excellence. I also commend the **faculty and staff** for their steadfast dedication in guiding, mentoring, and empowering our students, ensuring their holistic development and success in all spheres.

It is a journey of transformation, where challenges are met with enthusiasm and progress is driven by determination. We invite you to embrace this journey, supported by our steadfast commitment to educational excellence.

Wishing you great success in all your future endeavours.

A handwritten signature in black ink, appearing to read 'Sohan Lal Tambi'.

Sohan Lal Tambi
Founder President

PROFILE

Mr. Prakash Chand Khandelwal is a well-respected businessman, philanthropist, and visionary leader who currently serves as the President of KVGIT. With his extensive experience in business and deep commitment to education, Mr. Khandelwal has made significant contributions to the growth and development of the institution.

Mr. Prakash Chand Khandelwal has an impressive professional background, with notable achievements in the business sector. He has served as the Former Additional Joint Secretary of the Rajasthan Chamber and held the position of Vice President in various prominent Business Associations in Jaipur. His expertise and leadership skills have been widely recognized by his peers and colleagues. He is deeply committed to the cause of education and its role in shaping the future of individuals and society. He firmly believes in holistic education that goes beyond academic excellence and encompasses character development and creativity. With this vision in mind, he has dedicated his efforts to promote and support KVGIT globally. Recognizing the importance of giving back to society, Mr. Prakash Chand Khandelwal is actively involved in various social service initiatives. He is the Chief Patron of Kolaian Mata Samiti and a member of the esteemed Khandelwal Club. His philanthropic endeavors reflect his genuine concern for the well-being of the community and his commitment to making a positive impact on society.

As the President of KVGIT, Mr. Khandelwal is a source of inspiration for students, faculty, and staff members. He encourages a holistic and contextualized approach to education, fostering an environment where students can develop their academic abilities, critical thinking skills, and creativity. He envisions KVGIT as a center of excellence that produces responsible citizens equipped to address the needs of our rapidly evolving society.

MESSAGE

A warm welcome to KVGIT, a forward-thinking institution committed to empowering women through education. We are built on a student-centric culture with a sharp focus on producing industry-ready, skilled graduates through holistic development.

At Khandelwal Vaish Girls Institute of Technology, we believe that every young woman holds the potential to shape a brighter future. Guided by this belief, we are dedicated to creating an environment where our students not only pursue academic excellence but also grow with confidence, purpose, and vision. To support this vision, the institute promotes inclusivity by providing scholarships and financial aid to meritorious and underprivileged students.

Our commitment extends beyond the classroom—through a values-driven education and a campus equipped to support excellence in every facet of student life, we aim to nurture both intellect and character. KVGIT is fully equipped with modern, world-class infrastructure that reflects our unwavering commitment to academic excellence and transformative learning. This includes technologically advanced smart classrooms, state-of-the-art laboratories, high-speed digital connectivity, and a well-stocked library—all designed to nurture critical thinking, creativity, and innovation.

Complementing our academic environment are thoughtfully designed facilities such as a fully equipped auditorium, seminar hall, vibrant cafeteria, and secure in-campus hostel. Together, these resources create a safe, engaging, and inspiring campus experience that supports both academic success and holistic personal development. We are confident that our collective efforts will make KVGIT your first choice for higher education.

On behalf of KVGIT, I gratefully acknowledge the unwavering support of SKVET and its management for their wholehearted support in enhancing institutional infrastructure and making substantial contributions to the institution's growth.

I extend my **best wishes to all of you** for success in your future endeavours and bless every young aspirant in the pursuit of their dream.

Prakash Chand Khandelwal
President

PROFILE

Mr. Murari Lal Gupta, the Secretary of KVGIT, is a highly accomplished individual with a strong background in the information technology industry. He is the Managing Director and Founder of Softworld India (SWIL), an ISO 9001:2015 certified company based in Jaipur. SWIL specializes in providing high-quality software services to clients, helping them streamline their business processes, enhance operational efficiency, and improve overall performance. With a Master's degree in Computer Applications from Rajasthan University, Mr. Gupta embarked on his entrepreneurial journey by starting SWIL from scratch. At that time, the concept of digitalization was still in its nascent stage, and Mr. Gupta's vision and foresight played a pivotal role in establishing SWIL as a leading player in the industry.

Mr. Gupta's extensive experience in entrepreneurship in the information technology sector has been instrumental in the development of SWIL's products and the continuous growth of the company. Under his leadership, SWIL has consistently exceeded technical expectations and has become a trusted provider of software solutions. His achievements are a testament to his competency, leadership skills, adaptability, bravery, spirit of sacrifice, satisfaction, and strong value system. His presence in the software solutions market has been a driving force in the development of accessible business tools and technology for small businesses, enabling them to grow and thrive in a digital environment.

As the Secretary of KVGIT, Mr. Gupta brings his wealth of experience and industry knowledge to contribute to the institution's vision of providing quality education and preparing students for successful careers in the IT industry. His entrepreneurial spirit and commitment to excellence serve as an inspiration to students and faculty alike. With Mr. Gupta's guidance and expertise, KVGIT continues to stay at the forefront of technological advancements and offers a comprehensive learning environment that prepares students for the challenges and opportunities in the ever-evolving field of information technology.

MESSAGE

With great pride and warmth, I bring you greetings from KVGIT.

In a world evolving faster than ever, staying ahead means more than just earning a degree—it requires building the confidence, skills, and mind-set to lead, adapt, and excel. At Khandelwal Vaish Girls Institute of Technology (KVGIT), we are proud to be shaping such empowered futures.

To support our students, we've introduced a range of certificate courses and skill-based training modules. We are proud to have signed MoUs with reputed organizations like AU Finance, Bajaj Finserv, Ambuja Cement, Lions Club International, and many more—offering internships, certifications, and placement support.

Our collaborations with the Heartfulness Institute, Prazna Foundation, and the IPDC reflect our strong commitment to nurturing the mental, emotional, and spiritual well-being of our students. As a recognized regional center for prestigious national platforms like NPTEL and ICMA, our students enjoy privileged access to high-quality online courses delivered by eminent faculty from IITs and IIMs.

Additionally, to enhance the career readiness of our students, KVGIT has launched Sambhav Classes—a focused academic initiative designed to improve success rates in competitive examinations. These classes provide structured guidance, expert faculty support, and targeted preparation for a wide range of exams, including those for government positions (such as UPSC, SSC, banking, railways, and state-level services) as well as corporate sector assessments.

I would like to express my sincere appreciation to our esteemed Principal, Dr. Anju Gupta, whose consistent efforts and impactful leadership have significantly contributed to KVGIT's progress and student-focused development. I also appreciate our dedicated faculty and staff for their tireless efforts in shaping a student-centered environment that fosters learning, discipline, and excellence at every level.

We at KVGIT remains steadfast in its commitment to delivering not only exemplary academic instruction but also meaningful opportunities that facilitate career advancement.

Let these opportunities be the first steps toward your larger dreams.

A handwritten signature in black ink, appearing to read 'Murari Lal Gupta'.

Murari Lal Gupta
Gen. Secretary

PROFILE

Dr. Anju Gupta is an accomplished educationist and researcher with a strong background in Commerce, Management and academia. She has earned Ph.D. in Commerce, along with MBA (HRM & Marketing), M.Phil, M.Com, PGDMM, PGDHRM, and LL.B. With her multidisciplinary expertise and rich experience, she brings visionary leadership and a commitment to academic excellence.

Dr. Gupta is widely recognized for her expertise and has been associated with various professional bodies and universities as a subject expert. As the Principal of KVGIT, her leadership has been instrumental in achieving significant milestones at both the national and university levels.

In addition to her administrative responsibilities, Dr. Gupta has co-authored six books on subjects such as Mercantile Law, Management, and Marketing. Her research contributions extend to reputed national, international, and Scopus indexed journals, where she has published numerous articles. She has also provided write-ups for prestigious professional and educational institutions, showcasing her expertise and knowledge.

Dr. Gupta's exceptional contributions to academia, professional endeavors, and social welfare have earned her esteemed accolades and recognition. She has received a State-level award from the Directorate of College Education, Govt. of Rajasthan, and a departmental scholarship for research from the Department of Business Administration, University of Rajasthan. She has also been appreciated by the Jaipur Chapter of the Institute of Company Secretaries of India (ICSI) and the Jaipur Chapter of the Institute of Chartered Accountants of India (ICAI).

Recently, Dr. Gupta was unanimously elected as the PG Head in the Board of Studies at the Department of Business Administration, University of Rajasthan. She has also been appointed as a member of the Board of Studies, MBA, Rajasthan Technical University, Kota, further highlighting her expertise and involvement in shaping business education.

Dr. Anju Gupta's vast knowledge, research contributions, and dedication to education make her an invaluable asset to KVGIT and the academic community as a whole.

MESSAGE

I convey my earnest appreciation to all who aspire to be a part of the KVGIT legacy.

Welcome to Khandelwal Vaish Girls Institute of Technology (KVGIT), Jaipur—an institution committed to delivering an enriching student experience through a vibrant, empowering, and future-focused learning environment. At KVGIT, we are devoted to nurturing young women into confident, capable, and socially responsible individuals. Our mission extends beyond academics—we strive to cultivate a space where students grow intellectually, emotionally, and ethically.

To support this holistic vision, our curriculum is enriched with value-added programs, certificate courses, and skill-based training modules. We actively encourage students to engage in hackathons, workshops, and national as well as international competitions, equipping them with real-world exposure and experience. Complementing academics, our vibrant extracurricular ecosystem includes impactful initiatives led by NSS, Sports, Scouts & Guides, and the Red Ribbon Club. Student-run clubs such as Avbodhan, Anandam, Samsiddhi, Srijan, Prakriti, and Techno offer dynamic platforms for creative, cultural, environmental, and technological development.

Further, to nurture entrepreneurial and innovation-driven mindsets, KVGIT has built a strong support system through its Start-up Cell, Institution's Innovation Council (IIC), Entrepreneurship Development Cell (EDC), Skill Development Cell, and Incubation Centre. These initiatives inspire leadership, critical thinking, and a spirit of enterprise, enabling our students to explore their full potential as future change-makers.

I extend my heartfelt gratitude to the **Managing Body** and the **Shri Khandelwal Vaishya Educational Trust** for their unwavering support and visionary leadership. My deepest appreciation goes to **our faculty and staff**, whose hard work, sincerity, and commitment breathe life into the vision of **KVGIT**. To our **parents**, my deepest thanks for your trust and continued partnership in this shared journey of transformation and lastly, though equally significant to our **students**, I offer warm congratulations on their achievements and enthusiasm.

Wishing all our students a bright, successful, and fulfilling future.

Dr. Anju Gupta
Principal

KHANDELWAL VAISH GIRLS INSTITUTE OF TECHNOLOGY (KVGIT): AT A GLANCE

KVGIT, located in Vaishali Nagar, Jaipur, is a leading institution affiliated with the University of Rajasthan and Rajasthan Technical University (RTU), and approved by the Government of Rajasthan and AICTE. SKILL ENHANCEMENT COURSES

SAMBHAV ACADEMY

(GATEWAY TO COMPETITIVE EXAM SUCCESS)

KVGIT offers competitive classes to prepare students for entrance exams and career challenges. These programs focus on aptitude, reasoning, current affairs and core subjects. Balancing competitive exam preparation with a college degree can be both challenging and rewarding. Successfully managing both not only boosts academic and career prospects but also helps develop resilience, planning ability and multitasking skills—qualities that are valuable in any profession.

ADMISSION PROCESS

GENERAL RULES

- **Admission Governance:** Admissions shall be strictly regulated in accordance with the norms and directives issued by the Directorate of College Education, Government of Rajasthan, including applicable provisions related to reservations. Eligibility shall extend to students from RBSE, CBSE or any other board recognized as equivalent by the affiliating university.
- **Out-of-State Eligibility:** Candidates from states outside Rajasthan must have obtained a minimum of 60% aggregate marks in their most recent qualifying examination to be considered for admission.
- **Fee Payment and Refund Policy:** Fees once submitted must be treated as non-refundable and non-transferable under any circumstances.
- **Provisional Admission Clause:** Admission shall remain provisional until the candidate submits all required original documents and submits the full fee as prescribed. Failure to do so may result in cancellation of admission without further notice.

CODE OF CONDUCT

Students must maintain discipline, follow college rules and uphold the institution's dignity and decorum as per the Code of Conduct.

1. Attendance Requirements:

Students must maintain a minimum **attendance of 75%** in each subject to be eligible to appear for university examinations. Any leave of absence must be supported by a written request, duly signed by a parent or legal guardian (preferably the father).

2. Uniform and Identification:

Students are required to wear the prescribed uniform at all times while on campus and must carry their institutional identity card for identification purposes.

3. Mandatory Evaluation and Assessments:

It is mandatory for all students to appear in and qualify all mid-term examinations, practicals, viva voce, and to submit all assignments and project work as part of the evaluation and assessment process.

4. Campus Decorum:

Students should refrain from congregating in corridors, foyers, or administrative zones and loud conversations in academic areas are strictly prohibited to maintain an atmosphere of academic decorum.

5. Hostel Entry Restriction:

Day scholars are strictly prohibited from entering the hostel premises under any circumstances.

6. Event Participation:

Attendance and active participation in all academic, departmental and institutional events are strongly encouraged.

7. ERP System:

It is mandatory for all students to download and regularly access the **Study Base mobile application**. This app serves as the official platform for institutional announcements, notices and academic communications.

CELLS & ASSOCIATIONS

INSTITUTION'S INNOVATION COUNCIL (IIC)

The Institution's Innovation Council (IIC) has been established in accordance with the guidelines of the Ministry of Education's Innovation Cell (MIC), Government of India, to systematically cultivate a culture of innovation and entrepreneurship among students and faculty. The IIC aims to foster idea generation, support pre-incubation activities and promote the development of innovative solutions to real-world challenges. Through regular workshops, hackathons, expert talks and innovation challenges, the council provides a dynamic platform for nurturing creative thinking and an entrepreneurial mindset across various disciplines.

ENTREPRENEURSHIP DEVELOPMENT CELL

The Entrepreneurship Development Cell (EDC) is dedicated to fostering an entrepreneurial mindset among students by nurturing creativity, innovation and business acumen. The cell conducts Entrepreneurship Awareness Camps (EACs) Development Programs (EDPs) and hands-on training sessions covering business management, finance, marketing and legal aspects of start-ups. By collaborating with organizations like MSME, NSIC and incubators, the EDC provides mentorship, resources and infrastructural support to help aspiring student entrepreneurs turn their ideas into sustainable ventures.

INCUBATION CENTRE

The KVGIT Incubation Centre acts as a catalyst for innovation, entrepreneurship and start-up growth on campus. It offers a supportive ecosystem for aspiring entrepreneurs, providing mentorship, workspace, technical guidance and access to industry networks. The cell nurtures early-stage business ideas and helps transform them into viable ventures through incubation support, workshops and interactions with investors. It plays a crucial role in bridging the gap between academic knowledge and real-world business development.

ALUMNI ASSOCIATION

The KVGIT Alumni Association strives to maintain a strong connection between the institution and its alumni, fostering a lifelong relationship and providing support to both current students and alumni. This is accomplished through networking events, mentorship programs and by sharing alumni achievements and employment opportunities with students.

DISCIPLINE & ANTI - RAGGING CELL

At KVGIT, ragging in any form is strictly prohibited, in accordance with the regulations of the UGC (University Grants Commission) and AICTE (All India Council for Technical Education). The institute has established discipline and anti-ragging cells to effectively address any incidents of ragging and maintain a safe and conducive learning environment for students.

The institute takes a strong stance against ragging and will take strict action, including cancellation of admission, against those found guilty. The burden of proof lies on the perpetrator of alleged ragging, not on the victim. Ragging is a punishable offense and may result in disciplinary action based on complaints. The Discipline cell at KVGIT ensures that students maintain discipline within the classrooms and the college premises. It monitors the conduct of students and the condition of institute property. Any damage caused to the institute's property, such as walls, windows, fittings, furniture, etc., is strictly prohibited and will be dealt with appropriately.

For further information and details, you can visit the official website of KVGIT at <https://kvgit.in/students-corner/16828-2/discipline-and-anti-ragging-cell/>

GRIEVANCE REDRESSAL CELL

KVGIT has a dedicated grievance redressal cell that aims to address and resolve the genuine problems and complaints of the students. The cell consists of experts in various fields and faculty members who are trained to handle grievances effectively. To facilitate the process, suggestion boxes are placed on the campus where students can submit their grievances in a written format. They may also directly approach the members of the cell to express their concerns. The institute assures students that every complaint will be treated with sensitivity and confidentiality.

For further information and details, visit the official website of KVGIT at <https://kvgit.in/grivance/>

START-UP CELL

The Start-up Cell is dedicated to fostering innovation and entrepreneurship by helping students transform their ideas into successful start-ups. It offers mentorship on business models, provides guidance on funding strategies and assists in developing practical business plans. The cell organizes incubation programs, pitch competitions and start-up summits in collaboration with industry experts and investors. Additionally, it connects students with seed funding opportunities, government schemes and venture capital networks to support the launch and growth of their start-ups

SKILL DEVELOPMENT CELL

The Skill Development Cell at KVGIT is dedicated to supporting and nurturing young, talented individuals by providing an ideal platform to showcase their abilities, collaborate effectively in teams and participate in a variety of skill-enhancement activities. The Cell also aims to empower students to excel in their chosen fields by offering the necessary resources and opportunities for personal and professional growth.

COUNSELLING CELL

The College Counselling Cell, headed by a professional counsellor, is dedicated to supporting the mental and emotional well-being of students and staff by addressing both personal and academic challenges. It promotes resilience, healthy relationships, informed decision-making and personal growth through counselling and psychological assessments.

TRAINING & PLACEMENT CELL

The Training and Placement Cell at KVGIT plays a pivotal role in shaping the careers of its students by bridging the gap between academia and industry. The cell is committed to providing comprehensive career support, including pre-placement training, soft skills development, aptitude sessions and industry interactions. It actively collaborates with leading companies and organizations to facilitate campus recruitment drives, internships and industry exposure. Through its structured and strategic approach, the Cell ensures that students are well-prepared to meet the dynamic demands of the professional world, reflecting the institute's commitment to excellence and student success

INFRASTRUCTURE & AMENITIES

At KVGIT, infrastructure is not just about buildings—it is about building futures. Our sustainably designed, eco-friendly, earthquake-resistant campus spans 10,000 square yards, featuring over 1,20,000 square feet of built-up space, encompasses smart classrooms, laboratories, well-stocked library, administrative offices, centrally air-cooled hostel and modern auditorium. Our infrastructure supports both academic and holistic growth of the students.

AUDITORIUM

The college features a modern, fully air-conditioned auditorium equipped for conferences, seminars, and cultural events.

SEMINAR HALL

The Seminar Hall is a well-equipped space ideal for workshops, academic sessions, National and International Conferences

LIBRARY

A well-stocked library with a book bank facility and access to DELNET, providing extensive digital and physical learning resources for students & faculty-members.

COMPUTER LAB

Computer Lab is fully equipped with modern hardware, software and high-speed internet, providing an ideal environment for learning, research, and hands-on practice.

SCIENCE LABS

Well-equipped Laboratories designed to facilitate experiential learning across disciplines such as Physics, Chemistry and Biology. These spacious and modern labs offer an optimal environment for exploration and experimentation.

SMART CLASSROOMS

With interactive boards and high-speed internet, enabling dynamic and multimedia-based teaching. As part of an ICT-enabled campus, these classrooms foster practical, future-ready learning in a tech-driven environment.

LANGUAGE LAB

Equipped with advanced audio-visual tools, computers and language software to develop students' LSRW skills through interactive and immersive communication training.

IN-CAMPUS HOSTEL

The college provides a secure, in-campus double-occupancy hostel on a first-come, first-served basis. Located within the main academic building, it ensures easy access to classrooms and campus facilities.

CAFETERIA

The college canteen is spacious, clean and well-maintained, offering nutritious meals and snacks. It provides a comfortable space for the students.

STUDENT WELFARE AND HOLISTIC DEVELOPMENT UNITS

NSS

NSS- National Service Scheme units at KVGIT plays a significant role in engaging students in community work and fostering a sense of responsibility towards nation-building.

SCOUT & GUIDE

Scout and Guide unit spreads awareness among the students through various community services. Such activities inculcate important values in the students to let them become responsible citizens of our country.

RED RIBBON CLUB

The Red Ribbon Club is dedicated to raising awareness about HIV/AIDS and fostering healthy lifestyle practices among students. It also actively promotes the importance of blood and organ donation.

STUDENT CLUBS

TECHNO CLUB

The Techno Club is dedicated to promoting Ed-Tech advancement and fostering technical innovation among students. Its primary objective is to enhance students' interest and engagement in the technical aspects of their education through workshops, competitions and hands-on activities. The club serves as a platform to cultivate creativity and practical skills in emerging technologies.

SAMSIDDHI

Samsiddhi aims to foster entrepreneurial spirit among students by nurturing innovation-driven mindsets. The club promotes technology- and knowledge-based start-ups, strengthens industry-academia linkages and conducts events to raise awareness about entrepreneurship. It empowers students to become self-reliant and industry-ready.

SRIJAN

Srijaan focuses on innovative and creative teaching methodologies. The club organizes weekly interactive sessions, innovation fairs and competitions to inspire curiosity and creativity. Students engage with inventors, researchers and innovators and are encouraged to develop hands-on solutions using local resources, enhancing the effectiveness of subject-based learning.

ABHIVYAKTI

Abhivyakti Club encourages students to explore their creative and cultural talents through activities like poetry, drama, music, dance and art. It aims to build confidence and communication skills while promoting self-expression and cultural appreciation through interactive events and performances.

PRAKRITI

With the motto "Green India, Clean India", Prakriti aims to promote environmental awareness and scientific curiosity among students. The club organizes quizzes, industrial/laboratory visits, seminars and project-based activities to integrate technical skills with scientific concepts and foster a deeper understanding of environmental education.

AVBODHAN

Avbodhan is a student club focused on holistic development through extracurricular activities. It aims to spark intellectual curiosity, enhance cognitive skills and build leadership, teamwork and interpersonal abilities. The club fosters a vibrant social environment that encourages active participation beyond academics, supporting well-rounded growth.

SPORTS

At KVGIT, we believe in the holistic development of students, and sports play a vital role in nurturing discipline, teamwork, and a competitive spirit. Our institute offers a robust platform for students to explore and enhance their athletic talents under the guidance of experienced coach. With well-maintained sports facilities and regular events, we actively encourage participation across various games. To further motivate our young athletes, KVGIT proudly awards a prestigious Sports Trophy each year to outstanding performers.

ACHIEVER'S HONOUR

At KVGIT, excellence is celebrated through our prestigious **Achiever's Honour** awards, recognizing students who demonstrate outstanding performance and dedication. This annual recognition includes the coveted **Student of the Year** title and the **Award for Academic Excellence** across all streams. These honours reflect our commitment to nurturing intellectual brilliance and motivating students to strive for academic and personal growth.

AWARD FOR ACHIEVER'S HONOUR

STUDENT OF THE YEAR

ACADEMIC EXCELLENCE

SPORTS EXCELLENCE

OUTSTANDING ACHIEVEMENTS

STUDENT OF THE YEAR

This award honours a student demonstrating outstanding academic achievement, leadership extracurricular involvement, community engagement and strong character. It stands as the most prestigious recognition conferred by the college. Selection involves a rigorous and regular evaluation process considering various contributions.

AWARD FOR ACADEMIC EXCELLENCE

MANAGEMENT, COMMERCE, ARTS, SCIENCE & COMPUTER SCIENCE

To honor and encourage outstanding academic performance, the "Award for Academic Excellence" is conferred annually upon the top-performing students from each academic stream. This prestigious recognition is awarded to meritorious students from in Management, Commerce, Humanities, Computer Science & Science.

Each awardee receives a Running Trophy, Certificate of Excellence along with a Cash Prize as a token of appreciation and motivation for their scholarly performance.
